10:40 Q&A

11:00 Examples

11:30 Closing

Marta Candeias is the Head of Research & Innovation Pre-Award Advisory Unit at IST-ID since 2020. She is an engineer by training and has a PhD on Technology Assessment. In the last 15 years she has followed national and European research and innovation policies as well as European research and innovation funding programs (Horizon Europe, H2020 and FP7), with expertise in collaborative and innovation projects. She has ensured Portuguese representation in the European Commission for the framework program for research and innovation funding for 11 years and has a strong knowledge of Portuguese and European stakeholders in manufacturing, materials, and industrial processes. She is also a member of the Board of the Observatory of Technology Assessment, member of the Management Group of the European Technology Platform Manufacture, and was a member of the core group of the Advanced Materials 2030 Initiative.
