

Research Studentships (Master or Integrated Master students)

Applications are open for one Research Studentship(s), within the framework of project/R&D institution “ENVISION ENVIRONMENTAL Sustainability In hOSPITAL settings: Multi-methodological and multicriteria collaborative approaches for promoting environmental-related decision-making in hospitals”, reference 2023.17708.ICDT, financed by national funds through FCT/MCTES (PIDDAC), under the following conditions:

Scientific Area: Economics and Management

Admission Requirements:

- a) have completed a bachelor's degree in biomedical engineering or in a related field;*
- b) be enrolled on an integrated master's programme or a master's programme in biomedical engineering, in health management or in a related field;*
- c) have academic knowledge on healthcare systems and on decision support models;*
- d) have research or professional experience in a hospital setting.*

Workplan: As part of research conducted for a Master's thesis:

- Design an innovative collaborative process, based on the Delphi method, to involve staff at the Intensive Care Unit of Garcia da Orta Hospital in the design and discussion of initiatives for environmental sustainability;
- Develop a visual tool for analysing the results of the Delphi process;
- Implement the developed collaborative process and use the visual tool with healthcare professionals from the Intensive Care Unit at Garcia da Orta Hospital;
- Prepare a report and dissemination materials on the study's findings.

Legislation and Regulations: Statute of Scientific Research Fellow, approved by Law nr. 40/2004, of August 18, as worded by Decree-Law nr. 123/2019, of August 28; FCT Regulation for Research Studentships and Fellowships, available on <https://dre.pt/application/file/a/127230968>.

Workplace: The work will be developed at Centre for Management Studies of Instituto Superior Técnico, under the scientific supervision of Mónica Duarte Correia de Oliveira

Duration: The research fellowship(s) will have the duration of 6 months. It's expected to begin in August/2026, and cannot be renewed. Where an academic qualification or degree is awarded during the term of the scholarship agreement, the agreement may be completed in accordance with the terms set out therein.

Monthly maintenance allowance: According to the values for Research Fellowships awarded by FCT in Portugal (<https://www.fct.pt/fct-atualizou-o-valor-das-bolsas-para-2026/>), the amount of the monthly maintenance allowance is €1040,98, being the payment method an option of the Fellow by Wire Transfer/Check.

Selection methods: The selection methods will be the following: *Curriculum evaluation and individual interview*, with the respective weight of 60% and 40%, respectively (candidates will be evaluated in each dimension in a 0-100 scale).

Composition of the selection Jury: Mónica Duarte Correia de Oliveira (Full Professor) (Presidente), Ana Catarina Lopes Vieira Godinho de Matos (Assistant Professor), Ana Isabel Cerqueira de Sousa Gouveia Carvalho (Associate Professor)
