

One Research Fellowship for Master or Integrated Master students

Applications are open for One Research Fellowship, within the framework of project “Lab. Associado LARSyS - MARETEC 2021-2025” (LA/P/0083/2020) of IST-ID, with the financial support of FCT/MCTES (PIDDAC), under the following conditions:

Scientific Area: Environment and global change.

Admission Requirements: candidates must be enrolled at an integrated master degree or in a master degree.

Workplan: Evaluation of the impact of a set of decarbonization policies and actions in the energy sector and its subsectors. Development of key indicators for monitoring policy and actions performance. All materials will be produced in Portuguese.

Legislation and Regulations: Statute of Scientific Research Fellow, approved by Law nr. 40/2004, of August 18, as worded by Decree-Law nr. 123/2019, of August 28; FCT Regulation for Research Studentships and Fellowships, available on <https://www.fct.pt/apoios/bolsas/docs/RegulamentoBolsasFCT2019.pdf> and <https://dre.pt/application/file/a/127230968>.

Workplace: The work will be developed at MARETEC – ACAE/DEM of Instituto Superior Técnico, under the scientific supervision of Researcher Ricardo da Silva Vieira.

Duration: The research fellowship(s) will have the duration of four months, is expected to begin in September 2023 and is non-renewable.

Monthly maintenance allowance: According to the values for Research Fellowships awarded by FCT in Portugal (<http://www.fct.pt/apoios/bolsas/valores>), the amount of the monthly maintenance allowance is 930.98 €. The payment method is an option of the Fellow (Wire Transfer or Cheque). The fellowship holder will be reimbursed for his/her payment of Voluntary Social Security (up to the amount corresponding to the 1st level of social security payments).

Selection methods:

- 1) Evaluation of the candidate’s CV (70%):
 - a. Performance and adequacy of the previous degrees and adequacy of the current degree (30%) (score 1-20);
 - b. Knowledge and competences on energy and energy policy and/or quantitative analyses, data analysis, footprint or life cycle assessments (10%) (score 1-20);
 - c. Communication skills and ability to have meetings with stakeholders to discuss results and identify and collect data (10%) (score 1-20);
 - d. Interest on environmental topics, in particular, policies for climate change (20%) (score 1-20).
- 2) Individual interview (optional, only in case of a draw between the better-evaluated candidates in the previous selection method): 30% (score 1-20). If there are no candidates with a score above 50% in the previous selection method, no candidate will be selected.

Composition of the selection Jury: Professor Tiago Morais Delgado Domingos, Researcher Ricardo Filipe Chorão da Silva Vieira and Professor Tânia Alexandra dos Santos Costa e Sousa. Substitute member: Professor Ramiro Joaquim de Jesus Neves.

Announcement/ notification of the results: The final evaluation results will be communicated to all applicants by email.

Deadlines and procedures of complaint and appeal. A complaint may be lodged from the final decision within 15 working days, or an appeal to the Executive Board of IST-ID within 30 working days, both counted from the respective notification

Application deadline and formalization: The call is open from June 16 until September 15, 2023.

It is mandatory to formalize applications with the submission of the following documents: i) B1 Form – Fellowship application (<https://ist-id.pt/concursos/bolsas/>); ii) *Curriculum Vitae*; iii) academic degree certificate, where applicable; iv) proof of enrolment at a Master or Integrated Master; and v) motivation letter.

Applications must be submitted to nuno.sarmiento@tecnico.ulisboa.pt
